Nature of Complaint:

Customer (who is also a real estate broker in San Manuel) is against Coronado Utilities purchasing the sewer system from BHP Copper Mines. Customer said that she would also like to have someone have jurisdictional authority over this sewer system for safety reasons. Customer concerned that the soil in that area may be contaminated. According to what customer is saying this sewer system has never obtained the proper licensing; therefore, safety concerns are on customer's minds. Customer is not in favor of paying \$48 per month for sewer instead of \$48 per year.
